

Carrier Ethernet Certification

S3220

Manufactured by:

TRANSITION NETWORKS

10900 Red Circle Drive, Minnetonka, MN 55343 USA

Iometrix hereby certifies that the S3220 operating at the UNI delivers EPL services compliant with the Metro Ethernet Forum MEF 14 technical specification. This certification is valid by similarity for the S2220, S3230, S3240, C2220, C3220, C3230.

The S3220 was tested by Iometrix in accordance with the *Iometrix Test Plan for Traffic Management Phase 1* as approved by the MEF Certification Committee and was found to comply with all applicable service requirements as detailed in the Iometrix Test Reports referenced below.
