Product Discontinuation Notice

Dear Valued Customer/Partner:

We are pleased to inform you that **MIL-S1600T** and **MIL-S2400T** will become an End-of-Life item and it will be replaced by next generation switches **MIL-S16002TG** and **MIL-S24002TG**

MILAN Technology will officially supersede the following models:

MIL-S16000TUS,
MIL-S16000TUK,
MIL-S16000TEU
MIL-S24000TUS,
MIL-S24000TUK,
MIL-S24000TEU

Direct Replacement:

The new **MIL-Sxx002TG** unmanaged switches will receive two new SFP Combo slots for optical or copper flexible connectivity. This will largely improve the functionality of a switch. The users will be able to use Milan's MIL-SFP-xxm, Transition's TN-SFP-xx SFP modules or any MSA approved SFP modules.

Replacement Product Cross-Reference Matrix

Old Part Number	New Part Number
MIL-S16000TUS,	MIL-S16002TGUS,
MIL-S16000TUK,	MIL-S16002TGUK,
MIL-S16000TEU	MIL-S16002TGEU
MIL-S24000TUS,	MIL-S24002TGUS,
MIL-S24000TUK,	MIL-S24002TGUK,
MIL-S24000TEU	MIL-S24002TGEU

MIL-SM2401M-STK is the closest functional replacement for the MIL-Sxx000T switch. The pricing remains unchanged. The list price will remain at USD 899.00 for Mil-S16002TG and 1,299.00 for MIL-S24002TG

Final Orders:

MILAN Technology cannot accept any more orders for the discontinued models. All RMA requests, for products in the inventory at the date of this letter, must be made within thirty (30) days from the date of this letter. Therefore, it is imperative that you carefully review your requirements.

Closing:

In summary, the added SFP slot improves the functionality of a switching solution. The new switches can now be connected to the network directly over a fiber optical connection. Please note that if you currently have open orders with above discontinued product, the orders should be converted to the appropriate Replacement products listed above.

Should you have any questions please contact your sales representative.

Sincerely,

Transition Networks & MILAN Management Team
