November 1, 2005

Dear Valued Customer / Partner:

Since its introduction, the MiLAN brand of Print Serves has demonstrated the superior performance, quality, and reliability for which the MiLAN brand of products is known. As part of normal business procedures, when new products with increased features and performance are introduced, previous models may be discontinued. Let this letter serve as written notice of Transition Networks intent to discontinue shipments of the below models. The models will stop shipping on December 30, 2005.

Transition Networks has officially discontinued the following models:

<b>Model</b>	<b>Description</b>
MIL-3210X	10 Mbps UTP 4-Port Multi-protocol Modular Print Server with 2 Serial and 2 Parallel ports
MIL-P3830	10/100 UTP 3-Port Multi-protocol Print Server with 2 Serial and 1 Parallel ports
MIL-3410X	10 Mbps UTP Multi-protocol Direct Connect Print Server with 1 Parallel port
MIL-3410X3	10 Mbps UTP Multi-protocol Direct Connect Print Server with 1 Parallel port – 3 Pack
MIL-P3720	10/100 Mbps 2-Port UTP Direct Connect Print Server with 1 Parallel port and 1 Serial port

Final Orders:

Transition Networks must receive final buy orders for the above models no later than 12-30-2005. Acceptance of final orders are subject to product availability. Final orders shall not be subject to rotation, reschedule, cancellations, modifications, or revisions. No price protection is offered on shipments after the date of this letter. All CRA requests, for products in your inventory at the date of this letter, must be made within thirty (30) days for the date of this letter. Therefore, it is imperative that you carefully review your requirements.

Replacement Product Cross –Reference Matrix:

There are currently no functional replacements for the above End of Life products.

Closing:

We look forward to new opportunities to support your networking requirements with our comprehensive product line. Please note that if you currently have open orders with the above discontinued products that extend beyond the final ship date, the orders must be converted to the appropriate recommended / alternate replacement products listed above. Should you have any questions, please contact your sales representative.

Sincerely,

Transition Networks Management Team
