Product Discontinuation Notice

May 24, 2021

Dear Valued Customer / Partner:

Transition Networks would like to inform you of our plans to discontinue the following commercial rated PoE/PoE+ injectors due to limited demand. Listed below are the discontinued model numbers along with product descriptions.

Discontinued Part Number	Part Description
MIL-L100i-xx	EmPowered Ethernet Single-port PoE Injector w/country specific power supply
L1000i-at-xx	1-Port 10/100/1000 PoE+ Injector w/country-specific power supply

Replacement Product:

Transition Networks will not be offering a direct replacement product at this time. Please feel free to contact us for other available PoE switch or media converter solutions.

Last Order Date

Orders will be accepted for the discontinued product through August 27, 2021, or while supplies last.

Closing

We look forward to new opportunities to support your networking requirements with our comprehensive product line. Should you have any questions, please contact your sales representative.

Sincerely,
Transition Networks Management Team
