Product Discontinuation Notice

May 21, 2021

Dear Valued Customer / Partner:

Transition Networks would like to inform you of our plans to discontinue the long-haul multimode converter within our SGETF10xx-110 converter family. These are Gigabit Ethernet Layer-1 copper to fiber stand-alone media converters and listed below is the discontinued model number along with its product description.

Discontinued P/N

SGETF1024-110

Description:

1000Base-T RJ-45 100m to 1000Base-SX 1300nm Extended MM SC 2km

Last Order Date

Orders will be accepted for the discontinued product through August 31, 2021, or while supplies last.

Replacement Product:

Direct replacement product will not be offered, however alternative product can be found in the SGETF1040-110, when used with an appropriate SFP module.

Closing

We look forward to new opportunities to support your networking requirements with our comprehensive product line. Should you have any questions, please contact your sales representative.

Sincerely,
Transition Networks Management Team
